SAIC AT A GLANCE

SAIC is a premier technology integrator solving our nation’s most complex modernization and readiness challenges. Our robust portfolio of offerings across the defense, space, civilian, and intelligence markets includes high-end solutions in engineering, IT, and mission solutions. Using our expertise and understanding of existing and emerging technologies, we integrate the best components from our own portfolio and our partner ecosystem to deliver innovative, effective, and efficient solutions.

VISION
Serve as the premier technology integrator in our market by making a profound difference supporting our customers’ missions, engaging the best talent in industry, and providing strong shareholder returns.

PURPOSE
Advance the power of technology and innovation to serve and protect our world.
